

overview

The Health Collaborative (THC) is a data-driven non-profit organization in Cincinnati, Ohio. We bring together healthcare stakeholders in Greater Cincinnati and Northern Kentucky for the good of the community, and provides them with the actionable data they need for healthier people, better care, and lower costs.

Powered by the nation's largest Health Information Exchange (HIE) service line - hb/suite - THC offers products and services such as consulting, education, and health technology solutions; and facilitates data-sharing among hospitals and healthcare systems to address equity challenges.

Members of The Health Collaborative benefit from services that support the delivery of high-quality care, promote efficiency, reduce costs, and drive collaboration across the healthcare community. Members include 30 hospital and health systems, 150 long-term care facilities, and more than 100 business partners.

our vision

Greater Cincinnati is healthy by design and everyone is connected to quality, affordable healthcare.

our mission

To lead data-driven improvement that results in healthier people, better care, and lower costs.
