Self-parking at the Hotel is $10 per day. The Kingsgate Garage is located directly below the Hotel and is accessible 24/7. Clearance for the garage is 6'8", so please be sure to share with those in oversized vehicles.

Parking Instructions:
Turn into the main entrance from Goodman Drive, near The Graduate sign. Keep left to make your way into Kingsgate Garage and pull a #1 ticket from the gate. Hotel parking is on P1-P4 in sections A and B (near the red brick elevators on P2-P4).

There are 3 ways to exit:
1) Using your guestroom keycard, approach the exit gate and tap your keycard to the RFID sensor marked with The Graduate logo. Upon final departure, please deposit your keycard into the Room Key Return slot after the gate has opened. The parking charges will be added to the room, and you may come and go as you like.
2) Using cash, purchase a #2 ticket from the front desk in the lobby, or at the kiosk near the exit gate on P1 before returning to your vehicle. At the exit gate, insert the #1 ticket into the slot on the large console. When prompted for payment, scan the #2 ticket using the QR code scanner mounted to the console to raise the gate.
3) Using a debit/credit card, approach the exit gate in your vehicle and enter the #1 ticket into the slot on the large console. Enter your card into the card reader when prompted to complete the transaction and raise the gate.
