

2025-2026 Respiratory Season Immunization Clinics in Southwest Ohio

This resource lists community vaccination sites offering flu, COVID-19, and/or RSV vaccines for both adults and children across Southwest Ohio. It is intended for public sharing by hospitals, public health, and community partners to increase access – **including for uninsured and underinsured residents**.

Clinic hours and vaccine availability are subject to change. Please encourage patients to contact each site directly to confirm current information and eligibility before visiting.

Contact Nicole Volpenhein, nvolpenhein@healthcollab.org if you would like to add your clinic or update any information.
