2026 SPONSORSHIP LEVELS

Champion Sponsorship (\$10,000 Sponsorship)

Our Champion Sponsorship level is an exclusive level that grants you the privilege of being a Presenting Sponsor for The Health Collaborative's TAP Health programming - including our TAP Health Summer Academy and our annual career expo, HealthFORCE.

Being a Champion Sponsor allows your organization to share in the success of our career exploration opportunities. You will have numerous opportunities to connect with our students and our career exploration partners, including the region's health systems and other health employers, K-12 schools, community organizations, colleges and universities, and more.

With your approval, The Health Collaborative (THC) will formally announce and thank you for being our Workforce Champion in a media release. The duration of your sponsorship will be the calendar year 2026.

Additionally, our Workforce Champion is entitled to all the rights and deliverables of our TAP Health Summer Academy and HealthFORCE Presenting Sponsors. These include:

- Organization name/logo featured prominently on THC's Workforce Innovation website
- Prominence in the TAP Health Summer Academy web portal (regularly accessed by students in the program and their parents)
- Featured in any TAP Health Summer Academy and HealthFORCE press releases and social media
- Inclusion in The Health Collaborative's newsletter (reaches 15,000 healthcare professionals in a 14-country region)
- Social media recognition in the months leading up to and throughout duration of both TAP Health Summer Academy and HealthFORCE
- Opportunity to present at the TAP Health Summer Academy Graduation event
- Opportunity to host a special event for students, if applicable
- Up to 3 exhibitor tables at HealthFORCE on October 27, 2026
- Opportunity to give Welcome Address or present as appropriate at HealthFORCE

The Health Collaborative will accept one Workforce Champion Sponsorship per year, however we will seek additional presenting and supporting sponsors for the individual programs and events.
